“ My name is Karen Arnold Schad. I lived around the corner from the Highfields. Robert, Mitchell, Sherry and Daphne were a big part of my childhood. Good memories. Loved Phyllis. I wish we had not lost contact with each other. R.I.P. Robert. I Hope someone from the Highfield see this and will contact me . God bless you Robert.

Robert was my best friend growing up. We lived next to each other our whole childhood. We lost touch when we moved to Virginia. Never was there a better friend and family. I am so sorry for your loss.
