“ This December it'll be 5 years Bob's not here with us. By now, we are missing him, my Mom and younger brother Alan. Although I know they are in a better place, there's much missing for us still living. They are always thought of as we remember the memorable moments. Love to you always.

“ My deepest sympathy to the Hubschman family. Is Sandy still living. I am the Minister of St John Vianney Secular Franciscan FRaternity in Colonia NJ. The fraternity just celebrated 51 years. Through my research I tried to find out how our fraternity began & the best I can come up with is that Sandy & Bernadine with Andrew & Sebastiana Sulek started the fraternity when the new church was built. St John Vianney. If anyone knows anything about our fraternity or if Sandy is still living could you please ask him about it & email me. I would appreciate any info from you. Again my deepest sympathy for Robert & all the family.

*Dolores Jules marypio92@optimum.net Please try to answer, would love to have more info & both Sandy & Bernadine are in our prayers. God bless all.*

“ So sad to see my Uncle Bob gone. One of the only family members that helped me out alot. Not having contact with him over the past few years and to see this really hurts my heart. Always called me his favorite nephew. He was a very giving Uncle. He took very good care of me. And always told me if it doesn't make sense it's not true. And if it makes sense then it's true. Been living by that for quite a while. And it's been very useful to say the least. He always stressed saving money and taught me alot about money. He made really good stuffed cabbage. I love and miss you Uncle Bob.

“ How I wish I could be there in person to hug you all and pay my respects. Know that my heart hurts for all of you and You remain in my prayers. It is indeed a most difficult time. Bobby was always so upbeat and happy even through all his pain and illness. He is now resting in the good Lords arms. God Bless and much love Donna and family

“ Bobby was an academic. If life had been kinder to him health wise and given him a chance to develop his talents,he would have been an outstanding teacher and role model. A loyal and loving son, brother, and nephew to his family, he exceeded all expectations he set for himself, while dealing with physical handicaps that were not fair to him. As his Uncle, living in another State, we were never estranged. It was always an upbeat meeting ending with an "I Love You". I pray his family,who have been through too many losses this decade, are given the strength and love to carry only the good memories Bobby gave for they are many. May the Lord Bless and Keep him and Keep him in good place. He earned it!!!
