“ Dear Dad,,
I love you, and now you will rest in sweet
peace,
Leaving each of us with our own memories,
Some will have many more than others,
But I thought of you everyday, as well as my brothers,
I remembered your address when I was small by heart,
I didn't know where Florida was but one day I would start
I did it one time, I packed my little bag and left,
I didn't know if Florida was north, south, east or west
I just wanted to see you so very bad,
Cause I was the only little girl that you had,
Marty and Robbie I would always envy,
because they were where I so wanted to be,
But life goes on as it always does,
Right there in my heart you always was,
Forever there you will always remain in my heart,
Till we meet again and never have to part!
Then as your escorted by the angels above,
Remember that you were always so very loved!

Love, Your daughter,
Deborah Longest Winger

“ Even though I haven't met your family, nonetheless, I am so very sorry for the loss of your dear loved one. I could imagine you hope to see him again, at Romans 8:25 it encourages us to have this hope. May this confidence comfort you all in your time of grief and recovery.

Longest Family Members,

Your father will forever live in my heart with fondest of memories of all the GREAT times spent with Bob and your family over the years. I reflected back on his life when I heard of his passing. What came to mind was that Bob lived all the way up to the last week of his passing, driving, going here and there nothing really stopped this man from going or doing. Age was just a number with this man. Bob loved his Service to our country WWII, working at the Kennedy Space center for years, along with his commitment as a Security Officer at the First Baptist Church of Orlando on John Young Pkwy. I loved listening to Bob's stories about the war. I remember checking on your parents from time to time and Bob would always be watching WWII movies. I said, Bob haven't you already seen that Documentary? He replied yes but you forget Carol, I was in a Tin Can when all this was happening and did not know what was happening on the surface, made very good sense to me never asked again. Who best to follow in death than John Glenn, a dedicated man to his profession, just like Bob. Rest in peace my dearest friend, until we meet again. Love Carol.
