“ I knew Bob for about a year when he lived in Deerfield, FL before he enlisted in the Navy and I knew he was studying to become a dentist in the service. Then I lost touch with him. I have looked on Facebook for him before and just saw this tonight. I have always thought about him because he was such a nice person. My condolences to his family but you were blessed in having such a good man in your life.

“ I am So sorry for Your Loss, I do not remember a whole lot about You Bobby but we were neighbors for a long time on John St in East Newark, I do remember You were a very nice Kid and most likely grew up the same, You come from a wonderful family, God must have needed a special Angel in Heaven and He called on You, May Your Family be strong and know You are always with them, they just have to take the time to feel Your Presence, May You Rest in Peace and the Lord Touch Your Families hearts and give them strength...Thoughts and Prayers are with all of You.....Maria Walsh McGowan.
