“ *Robert was one of my classmates at OHS. We had English together and had so much fun in class. I remember his ready smile/ grin really and his positive, fun attitude toward everything! He and I sat by each other on the front row together at graduation, too! Such a smart guy! I know that his close family and friends will miss that ready smile and positive spirit and enthusiasm. My thoughts and prayers are with each of you and his classmates will mourn the bright star that he was for our class! God bless and keep you in this time of loss.*
