“ For Rosita and her wonderful family, please accept our sincere condolences on the loss of Roberto. He was truly one of the nicest men we have ever known. He never had anything to say that was not nice. He was kind and welcoming to all, and a true gentleman. We are so sorry that we cannot be with his family for his services, but know that you and he are in our hearts and prayers. Phillip and Deborah Santiago

“ What can be said about a man I have known all my life. Although he was married to my Aunt he was my Uncle and a great one at that. I never saw him mad, he was always so loving and always smiling and so much fun to be around. I am so thankful to him and Titi for taking in my husband and providing for him before I came to Orlando. Tony truly enjoyed his company and for that I will always be grateful. Tio, I don't think you'll ever know the impact you made on so many people. You were one in a million and will be so truly missed. I know you are now with your Savior Jesus Christ and in the arms of your Heavenly Father and for that I am very happy but it doesn't mean I won't miss you. I won't say bye because I know that one day I will see you again and rejoice with you in His presence for eternity. So Tio, until we meet again. I love you....
