“ Please go to Robby's memorial website at: www.forevermissed.com/robbby-george-andrew

Our precious Robby died from an opiate overdose two days after leaving drug rehab.

Opiates are synthetic heroin, highly addictive, and deadly. Please keep your loved ones from painkiller medication. No one should take deadly pain pills for wisdom teeth extraction or sports injuries. Tell everyone you know, and save lives.

“ We are sorry to read of the passing of your loved one. Words don't always ease the pain when you are grieving the death of a loved one, but we hope you will find comfort in Jesus' promise of the resurrection hope (Acts 24:15) when he will raise up those who are now sleeping in death (John 11:11) restoring them back to life, on the renewed Paradise earth (John 5:28,29; Luke 23:43) what a wonderful blessing to look forward too. Until then, may Jehovah God (Psalms 83:18) grant you peace and comfort during this grievous time.-Matthew 5:4.

“ My sincere sympathy goes out to the Andrew family. Its sad to lose someone so young as Robby. We would like to share a thought that has helped us. Isaiah tells us that “He (God) will actually swallow up death forever, and the sovereign lord Jehovah will certainly wipe the tears from all faces” (Isaiah 25:8 & 9). What a glorious promise to look forward to, when we can see our loved ones again. Jesus promised at John 5:28 & 29 that "all those in the memorial tombs will hear his voice and come out". We hope you will be able to get some comfort from these scriptural thoughts as we have.
