“ Sipp was one of the nicest people I ever met. I knew him as a customer at the Sonny's on OBT. He was sorely missed when he moved to Apopka by me and I am sure many others. I could come in anytime he was there and he could always make me smile. His wonderful attitude made it a pleasure to be seated in his section and I always requested him when I could. He called me "precious" (along with about 5000 other women) and it always made me feel special for the moment. His candy selection was vast, even though I had to turn it away (diabetic) but the thought was always there. He will be greatly missed by many I am sure, above and beyond his family, his pseudo family of customers.
