“ *Lamento mucho esta enorme perdida y sintiendo el dolor que su familia están pasando, quiero compartir la esperanza de que muy pronto "va haber una resurrección de parte de Dios", como nos dice la Biblia en Hechos 24:15. Ánimo y fortaleza para toda su familia en estos momentos dolorosos.*

“ *You have my deepest sympathy and empathy in you loss. During such a time I was greatly encouraged by a promise I found in the Bible at Revelation 21:3, 4 where a time will come when we will not experience the suffering that come from this type of tragedy. With this thought in mind I invite you to visit www.jw.org, there you will find more information on Gods promise of the resurrection.*

“ *Hello, I would like to express my condolence at this time to your family. The Bible is a great source of encouragement at times like this, a comforting thought is at Revelation 21:3,4 where it states "...And he will wipe out every year from their eyes, and death will be no more, neither will mourning not outcry nor pain be anymore. The former things have passed away." This scripture gives us hope for the future! For more information please visit our website at jw.org*

“ *Seems like your going to walk thorough the doors any minute . I keep waiting for you to come back. Every morning I wake up I want to hear you playing games on your iPad. Lelo I miss you soooooo much. I remember when I was little and I would lay on your huge bear belly and watch Andy griffin show. You would try to make me whistle the theme song with you. I miss walking to your room and talking to you when I felt down and sometimes I didn't understand you but I just sat there cause I rather hear you talk then to let you be quiet. You had so much to say. Welo your heart was so big and so kind. I would love to hear your laugh just one more time. I love you to the moon and back welito!*

“ My loving welito, I remember waking up every Sunday to you calling my name so I could make you some coffee and right after you drank your coffee in bed you would start your day. The days where you would take me out with you and I was too little to do my own hair and you would try your best to brush my hair and put it in a pony tail for me. I miss when you were around for me I miss when you would tell me not to cry over certain things cause it just wasn't worth it. I miss when you would take Wela coca and me on a long ride down the country and you would stop at the lake and buy us ice cream while we looked at the lake. I miss having the strong man who raised me since I was 3 years old. You always wanted to see me doing good and I promise you I'm going after my dreams abuelo!! I love you so much and I'm praying to stay in touch with you.
