“ I was honored to meet Roger last month. He was a true patriot and cared deeply about his community. We were so glad he was voted in as an Orange County Republican Precinct Committeeman. Roger was kind, loyal and encouraging. We will surely miss him, and I'm glad we got to know him. The world needs more people like Roger and his legacy of kindness will live on.

Sending my condolences to your family.

“ Roger was a special friend from the time I was 17 and he was 21 - crazy young adults living our best life. He became a part of our Lockhart family and was well loved by many throughout his life. We had ups and downs as most friends do over a lifetime but we never doubted our inextricable bond and love for each other. He loved his family and friends above all. Sending prayers of love and comfort to Elizabeth, Dennis and all of his family and friends. He will be deeply missed and fondly remembered - always in my heart - Kristin

“ I remember how Roger was just so easy going. We worked together and were roommates. We got along so well together and always had fun and good times. There were lots of smiles and laughter wherever we went and whatever we did.

“ *My greatest memories of my cousin Roger was when he was always picking on you. He would sure guarantee to make me laugh. I will always remember that mustache of his and his cowboy hat his love of country music. Even though he was from Florida he sure did love the Atlanta Braves. Miss you cuz! Aunt Lib, Dennis, Laura and family may God give you peace and comfort at this time. Love to you all.*

“ *When we lived in Florida we would go to Aunt Lib's house often. Well when Roger was there I knew I would be aggravated. He would always find something to pick on me about. If he didn't pick on me I would need to worry. I love Roger, and everytime I see black pointed toe shoes I will always think of him. (He made fun of mine!) Aunt Lib, Dennis and family- we are so sorry for this loss. We love you and we will be thinking of you.*

“ No matter when someone passes it's never easy to say goodbye. I have fond and funny memories of Roger. He did love his Country Music. I'm sad he left us so soon, too soon, and pray comfort and peace. Love you Roger and the family.
