

## Rohoni K. Dookhie

December 16, 1945 - September 8, 2025

Rohoni Dookhie, age 79, beloved mother, grandmother, and great-grandmother, passed away peacefully on September 8, 2025.

Born on December 16, 1945, in Corentyne, Guyana, to Anadia Rai and Kamta Singh, she later migrated to the United States in the early 1980s to begin a new chapter with her family.

Rohoni was devoted to her six children and found joy in her garden, music, and the company of loved ones. She was blessed to witness the growth of fourteen grandchildren and three great-grandchildren, who brought her endless pride and happiness.

She will always be remembered for her resilience, courage, and strength. No matter the challenges life placed before her, Rohoni faced them with perseverance—and always found a reason to rise, smile, and dance. She lived her life with love, and that love will continue to guide us as we carry on her legacy.

Rohoni is survived by her siblings Sattie, Jeet, Churaman, Shamo, and Shanta; her children Beerdatt, Nalini, Kris, and Moneshwar; as well as her grandchildren, great-grandchildren, nieces, nephews, and many dear friends.

Rest in peace, our dearest Rohoni. You will forever remain in our hearts.

“ *Rohoni Dede is the most kind hearted loving caring person I know. She has the same characteristics as our Mother who would go to the end of the world for you. Rohoni took care of our mother unconditionally for many years. I watch her spoon fed Ma when she was not able to eat. For myself, I lived with her in Alness prior to moving to Canada and have witnessed how hard she work to provide for her children.*

*Anytime I spoke to her she would always ask how are the kids and the family. I love spending time with her when she came to Canada last year. We will miss her so much, she will live in my heart forever. I love ❤️ her so much. Rest peacefully my dear sister. Your brother
