“ Tell me, what does it look like in heaven?  
Is it peaceful? Is it free like they say?  
Does the sun shine bright forever?  
Have your fears and your pain gone away?  
'Cause here on Earth, it feels like everything  
Good is missing since you left  
And here on Earth, everything's different  
There's an emptiness  
Oh-oh, I  
I hope you're dancing in the sky  
I hope you're singing in the angel's choir  
And I hope the angels know what they have  
I'll bet it's so nice up in Heaven since you arrived  
So tell me, what do you do up in Heaven?  
Are your days filled with love and light?  
Is there music? Is there art and adventure?  
Tell me, are you happy? Are you more alive?  
'Cause here on Earth, it feels like everything  
Good is missing since you left  
And here on Earth, everything's different  
There's an emptiness

“ We little knew the day that God was going to call your name. In life we loved you dearly. In death we do the same. It broke our hearts to lose you but you didn't Go alone. For part of us went with you The day God called you home. You left us peaceful memories your love is still our guide and though we cannot see you you are always at our side. Our family chain is broken and nothing seems the same but as God call us on by one the chain will link again.

“ Dear Mom,

*God I miss you so much. Here is a poem I came across that sums up how I fell.*

*"If Roses Grow In Heaven"*

*If roses grow in heaven lord please pick a bunch for me. Place them in my mother's arms and tell her they are from me, Tell her I love her and miss her and when she turns to smile place a kiss upon her cheek and hold her for awhile because remembering her is easy, I do it every day but there is an ache within my heart that will never go away..*

*RIP to the BEST mother in the world. Until we see each other again.*

*LOVE YOUR SON*

*Jason.*

“ I had the pleasure of being Rosa's nurse for the last few days of her life. From all the stories that were told by her amazing family, I felt like I knew her. She was surrounded by her husband, her awesome children and grandchildren. Jasmine you did your mother proud. She left this world pain free and with dignity. I am proud to know all of you, you all made me feel so comfortable that it was so easy to do my job. My thoughts and prayers are with you all. RIP Rosa, your amazing family will take care of each other. ❤️❤️❤️
