“ A Florida Hospital superstar!!! You are missed so much, it's hard to go in the café and not think about you. Thanks for ALWAYS being a ray of sunshine. You were truly one of a kind, a gift from God made to be a "perfect Angel", may you rise in peace. Much love.

“ Rosa, I think you knew how you brightened all of our days every morning with your smile. It never mattered what you were going through in your own life, you always had that smile that came right from your beautiful heart. I am very happy I always screamed "Rosa I love you" every time you made my turkey rap. You were truly loved by everyone that knew you. I miss you so much already ???. Until we met in heaven for margaritas, I love you my friend.
