

Mrs. Rosa Puente

May 2, 1922 - October 3, 2013

Rosa Puente, 91, passed away on October 3, 2013. Rosa was born May 2, 1922 in Cartagena, Colombia. She is survived by her brother Dr. Carlos Puente, daughters Linda S. Zayas and Rosalind Zayas, grandchildren Eric D. Koch, Rebecca C. Buttitta, Andrew R. Buttitta and Lindsay E. Zayas. Rosa is also survived by her great-granddaughters Grace Marie Casiano and Gabriella Rose Casiano.

Rosa was a very active member of her community in Astoria, New York, where she raised her children. She was loved by so many people in her community, especially her friends Maria, Omar, and Fanny. She also shared her love and appreciation for Evelyn ("Emme"). Rosa enjoyed cooking, sewing, entertaining family and friends in her home and shopping. She and her late husband, Julio Cesar Ramirez, always enjoyed being around people they loved. Rosa was a strong woman who never gave up. She was a mother who sacrificed herself for her family and loved us unconditionally.

Rosa's other great passion were her grandchildren. She loved spending time with them and had a special place in her heart for her first grandchild, Eric ("Papa"). He was her joy.

Mom, a big piece of my heart is missing but we rejoice at your journey home to be with the Lord. Your love will continue to live in us and we know in our

hearts you are dancing with the Angels. We thank God for you and love you so much. Save a place for us in Heaven and tell Jesus how much we love Him!

No lloren por mi, que yo estoy libre;
Me fui de la mano con Dios cuando escuche su llamado;
Di la espalda a todo y deje todo atras.
Si mi partida les ha dejado un vacio a ustedes;
entonces llenenla con alegrias y recuerdos.
Mi vida ha estado completamente llena;
he disfrutado mucho de la vida;
buenos amigos, buenos tiempos y la
amistades compartida, sonrisas, y besos;
Si; esas cosas, yo tambien extranare.
A lo mejor mi tiempo parece haber sido corto,
no lo alarguen ahora con tanta pena.
Levanten sus corazones y compartan conmigo;
Dios quiso que me fuera con El ahora.
Dios me ha llamado.
Dios me ha liberado.

“ *Dear Rosalind and Susan
I don't know if you remember me but I am the
daughter of Lucy Acevedo from Astoria
projects . My name is Carmen I just want you
to know that I have great memories of your
mother and what a wonderful person she was. I often thought of her
and the delicious flan she use to make. I have never forgotten her
and never will. I am so sorry for your loss.
May she rest in peace*

“ Linda, Rosalind and family, I am deeply saddened that your mom has left us. I only know too well what you are going through. My memories of Rosita are very fresh in my mind, she would love to cook her great dishes and was a most gracious person. She knew I loved "ropa viera" very much and she always cooked it for me when I came over to see you.

I will always love your mother as she adopted me in those days of early 1970's in the projects. I hope you and family will carry on her gracious ways in life. She left all of us a better person by just knowing her love for people. We had lots of laughs with your mother and family.

Love you all, your friend,

Jim, I appreciate so very much your kind words of love and sweet memories for my beautiful mother, Rosita. It was an honor and a privilege to have her as my mother. I miss her deeply especially during this holiday season. She was the matriarch of the family, but her legacy will continue to live on in me and the rest of the family until we meet again. Thank you again for your kindness. Love, Linda and family.

“ Thank you and God bless you all for sharing your beautiful memories of my mother, Rosita. It is very humbling to know all the love that my mother shared and the love that many had for her. I'm proud to call Rosa Puente my mother and I pray that maybe one day I can become at least half the mother and grandmother she was. She leaves a beautiful legacy. *Mi Colombiana esta bailando la cumbia en los Cielos con los Angeles!*

“ *Dear Linda, Rosalind and family,*

My deepest condolence goes out to your family during this time. I know this is an extremely tough time for all of you and my prayers go out to you all. If I may, I just want you to know that Rosita will never be forgotten and will forever be in our hearts. I mean that from the bottom of my heart. she truly was unique, a natural at all she did, from caring for her daughters and grandchildren to those who were not even her family. she just had a way with things that just made you feel at home every single time you came over. There was no tiring for Rosita. No matter how late, or how short notice it was Rosita was always ready to cook a wholesome delicious meal for you. Her smile was captivating and her heart big enough for everyone. Rosita you were and will always be remembered for your beautiful smile, your positive energy and your big heart. You showed me and my family that you can always make time for those things and people you love. Thank you for just being you, for letting us into your life and for being one of the purest and most humble people that we have ever had the blessing of coming across. we love you!

“ *Querida y adorada Rosita:has volado muy alto y solo me quedan todos esos momentos maravillosos que vivi a tu lado. LLenaste mi vida y la de mi hijo de mucho amor, entrega, dedicacion. Aprendi con tigo que es mucho mas gratificante el dar que el recibir. Que para tener un calor de hogar no hace falta una casa grande, con muebles costosos con una variedad de electronicos,pues con tu humilde hogar, tu don de gente y tu sonrisa, heran suficientes para que todo el que llegara a tu casa no quisiera hirse . las horas en tu casa se combertian en segundos.*

TE QUIERO MUCHO Y SIEMPRE VAS A ESTAR EN NUESTROS CORAZONES.

DESCANSE EN PAZ MI AMOR.

A sus hijas que en mi siempre encontraran esa hermanita postisa.mucho valor.Las quiero mucho.

“ Dear Rosita,

You cared for me throughout the years when a child can be insufferable. Years of elbows on the table, talking back, not eating everything on the platter, etc.

Needless to say, I have to thank you for being the altruistic, patient, loving caretaker that you were to both me and my mother. You fed us the food that came from not only your technical prowess with a knife and pan, but also the spiritual prowess that somebody so in tune with their womanhood exudes from their heart.

It's hard to forget somebody who has impacted you in so many ways, and though you will be gone from the earth from this point onward, just know that my memories, and this wallpost, serve as a tribute to the everlasting legacies that good people, such as yourself, deservingly maintain.

Thank you for existing Rosita.

*Sincerely,
Juan R.*

PS - Thank you for letting me have 6 donuts that day. It may have made me a chubby kid, but it also made me a happy one.
