“ I grew up with the Marsingills across the street from my house, i was friends with Chuck and Wayne, when i was about 15 years old i was having some difficult times in my life and Mr Royce and Mrs. Betty both talked me and asked me to come to church, i was very hesitant at first but in the long run it was one of the best things that anyone has ever done for me, Mr Royce took me with them and i remember getting saved that day and getting the Lord in my life, and i can never be thankful enough, Mr Royce and Mrs Betty were nothing but "LOVE" and they will be dearly missed by all. i would like just to say thank you for everything and may you and Mrs. Betty be reunited up in heaven with our Lord. All my love and prayers go out to the entire family right now. peace & love & God Bless to all. J.P. Herauf

Our heart is filled with sympathy for the loss of your father and earlier your mother. We didn't know your parents for long but did grow to love them and especially Chuck and Wayne and their families. Pasadena holds special church memories for us and all the young couples that were there. God has promised us strength, peace and love during these saddened times. We love you. Dwayne and Donna

“ I know this is surpose to be about Mr Royce but where Mr Royce is Ms Betty was close behind...
When I first met the Marsingill family I was 7 years old... I'm Alisa's baby sister... Mr. Royce and Ms Betty was the sweetest people I have ever met... Their hearts are as big as the ocean.. And over the years they have watched me grow up and being a mother and even a grandmother... I moved to Florida around Christmas of 04 and wasn't able to give my kids a Christmas, Mr Royce and Ms Betty stepped in and bought my children presents where I couldn't... I will be for ever grateful to them.... I loved them so much and I will miss.. And every time I make Ms Betty famous Maryland crab soup I can only wish it as good as hers...

“ Brother Ross was always someone I knew would have words of encouragement followed by a deep faith that God would accomplish it. He always had a beautiful smile and a big hug for us. He and Bette were loved by our family and will be deeply missed.
