Always remember our drives to McDonald's in La Reine Shopping Center on our lunch break from school. Playing in the childeens playground, and the little kids would look at us big kids like we were crazy. Lots of fun, silly us in our senior year. It would be Ruben, Chongo, Pito, Ivette, Annie, Rosa, Evelyn and some others from Rican Town. We all had each other's back, one group of brother's and sisters. My parents knew I was in good company knowing our crew was a group of teenagers full of respect and love for each other. My high school years were perfect knowing my friends were always there for me. Remembering photography class, and us thinking we were the best. Your cool car, which many wish they had. RIP

“ Ruben,

I was shocked to hear the news of your untimely passing. It was just a few short months ago that we laid your older brother Gilberto (aka "Tito", "Fritz") to rest in Vieques. Ruben, you thanked me countless times for making the trip to Vieques to be with you and your family and bid farewell to Fritz. You are now reunited with your brother, but it's very difficult to accept that you're no longer with us. I have fond memories of our high school days, especially "Rican Town", where we would all hang out before classes began every morning. I will forever keep you both in my memories. My deepest sympathies to Don Loncho, Maria Isabel, Yolanda, Edwin and the rest of the family. Rest easy dear friend. Until we meet again.
