“ *My father was a loving father,hard worker and loved listening to his spanish music. He had multiple jobs at times and I remember going on the weekend to help him clean up a movie theater with my mom. He used to ask me math questions while he cleaned. I will miss him very much and love him for ever.*

My prayers go out to the remaining family. I remember Uncle Willie when I was very young as being caring and generous. You were blessed to have a father that was caring and did his best to provide for his family. Love and comfort to each of you, Jr. Cordero.
