“ *To My Only Sister I'm Gonna Miss You Soo Much*

“ *One memorable moment I can recall with my sister was when we were both sharing different stories about our own experiences with our father while she was in the hospital due to a flare up, from the good to the bad. From tears of laughter to tears of sadness, I will always remember the faces you made and how we equally share Dad's face. Love you in this universe and will love you in every reality.*

Love, your little brother Sam
