“ *David and Family,  
I am sorry that mother and I could not attend the service. I am sure that it was as beautiful as Ruth was. I regret that we met at the cancer center but Ruth was one of the most beautiful spirit and most positive person we met there. Praying that you all (and all of us who will miss her) heal quickly and are bathed in peace.*

“ *There was no one else like Ruth. I will truly miss her. She had a positive outlook on life that was unstoppable. It was when she battled Breast Cancer for two years that I really grew to respect her even more. Some people have a pure gentle spirit within them that shines bright and that was Ruth. Education was so important to her and she was very smart. I am not certain but, I think she even finished getting her Phd while she was ill. I will always remember my sweet friends smile that could light up a room. She loved her family and friends so much. I am so thankful that she is no longer in pain. My condolences to her Family during this difficult time. May you find peace and comfort in your memories and hold them close to your heart forever ...*

“ *Ruth was a special person with a beautiful soul. I remember one of her favorite movies was "Love Story." I watched it with her the first time and we bawled like babies. Ruth always made me laugh. My heart goes out to her husband, step-children and siblings. May Ruth fly high with angels...until we meet again. ❤️*
