Our beloved Samnarine Gunness of Princes Town, Trinidad passed away in Orlando, Florida on October 14th, 2022. He was born in Grants Trace on July 23rd, 1948, and passed away at the age of 74. He was a dedicated husband, father of three, grandfather of five, oldest brother of eight and uncle and friend of many, who was very much loved by everyone.

He was a hardworking man who had many achievements at a young age. At the young age of 20, he started working at Caroni Limited as a welder and over the course of 35 years, he worked his way up to become supervisor of the field engineering department. Soon after, he got married at the age of 23 and stayed happily married for 51 years, until the very end. He built his house and had his 3 wonderful children, all by the age of 32. This house became a forever home; filled with happiness, joy, and excitement, all enjoyed by his children, grandchildren, nieces, and nephews. His home was a home to everyone. He spent his entire life being the backbone of his family, raising his children to the best of his abilities, and creating wonderful memories with his 5 grandchildren; he was a fundamental part of their childhood. He was well known amongst his extended family members and his community. His passion for helping others was limitless and he never turned anyone away in their time of need. He will forever be embedded in the hearts of everyone and his kindness and his love for all will never be forgotten.
