I have known Da Sammy since childhood and will never forget his bubbly personality and infectious smile. Daddy this is Primo, Charity, and your grandchildren wishing you a smooth and a peaceful journey with our Lord. You were such an amazing man of God and you were born to love and nurture people. You always opened your heart and house for people like us and your love for God, your family, and people was amazing. You were a true example of a typical God fearing and a family oriented person and most of all, a gentleman with a gentle and a sweet spirit. You will be greatly missed and may your gentle soul rest in perfect peace. The Amoako Atta ' s

“ I have been blessed to have him as my dad. He was a special man who loved people and could make you smile and laugh every time you were with him. Even in his pain, he managed to keep a smile on his face and comforted us. He would say 'It is well'. He was a man of incredible faith. I'm glad God gave him to be my dad. His invaluable legacy will continue to live on from generation to generation. He will be missed dearly. I miss him so much.

Paa Sammy was a caring family man who loved the things of God. I'll never forget the remarkable role he played in our lives as children especially when he had to act in our fathers absence. He'll always be remembered. May the good Lord keep him and give him rest

Not even a few words can do justice to all the years of love, selflessness and strength that Da gave us as he exemplarily and consistently looked to Jesus, the author and finisher of our faith. You are really missed and there is hope because I know you are absent in body but present with the Lord. Da, Beyond any shadow of doubt, A Real Tribute would be not only to continue to live out the godly legacy that you instilled in us but also the very actions of our lives should testify. As the saying goes that "Every action of our lives touches on some chord that will vibrate in eternity". I love you and thank you Da. Even in my absence, Well done to Ma, and Pamela (& the Crusaders team) as well, although this tribute is about Da, for the love demonstrated in action, for the quiet, caring loving way of affection that she had for Da especially during these last 4 months is very much appreciated.
