“ My condolences to Sheryl and Jeff, and your families. I have known Sandy for many years. I do have to smile when I think of some of the shenanigans she got into. Our friendship stood strong for over 50 years. Sandy's devotion to things she loved and believed in was fierce. Her struggles were hard at times, but love from her family and patients pulled her through. I hope her family knows how much she loved them.

“ I have fond memories of of working the night shift at Columbia medical with Sandy and those times will always make me smile as she was a dedicated nurse who gave her all to her patients and made our time working more fun than work. She was funny and witty with so much compassion. Heaven has gained a beautiful soul ❤️🙏
