“ 🙏 R.I.P Sis, until we meet again in Heaven!

Why?

That's what we ask.

The truth is, we may never be able to know for sure why.

But we do know that there is no single "should have done" or "could have done"

or "did" or "didn't do" that would have changed that why.

All that love could do was done.

I hadn't talked to Sarah in a long time but she was my friend throughout my crazy middle school years and we had some great times. I'm so sorry to hear about her death.

“ Sarah,
You were my best friend growing up. There is no life event that you weren't a part of... you had such a vibrant life force that was snuffed our way too soon. I will always cherish our times and memories together. I love you more than you will have ever known. I pray that you are at peace and I hope you know just how much you will truly be missed. My heart aches for you. Fly high sweet angel, until we meet again ❤️
