“ *Great Grandma Wilson was a loving and very sweet woman. We used to visit her once a year in Seguin, Tx and every time she would just absolutely make you feel like you were at home with her.*

I remember one year she had made us all dinner and I finished my plate pretty fast before everyone else. She got up and made me another serving. I had finished the second serving quick as-well and God bless her heart she about got up and made me another plate.

Had it not been for her daughter my Grandmother she probably would have just kept stuffing me.

In the end I just want everyone to know she was an absolutely wonderful and amazing person. God may have took her from us but she will always be remembered.

*I Love Great Grandma Wilson and I will always miss you.
Love Yours Truly
