“ *To Uncle Kenny & Aunt Tara - I am very sorry for your loss. I never had the chance to meet Sasha but from what I've heard she was a great person & very accomplished. I would just like to let you know how much she inspires me & although we are far cousins that never met, she is in my prayers every night as well as both of you & Kenny. I hope you will find the strength to keep going because your daughter is always watching over you. Heaven gained a very special angel. Love you guys. Tiffany Azim.*
