

Savitri Ranchurejee

January 4, 1959 - January 6, 2025

Savitri Ranchurejee, affectionately known as Ena, was born on January 4, 1959, in Anna Catherina, West Coast Demerara, Guyana. The beloved fourth child of Samuel and Madri Gautam, Ena grew up with a passion for the simple joys of life, like fishing, sewing, and attending church.

Ena's educational journey took her from Lenora Primary School to Uitvlugt Secondary School, and later to South Georgetown Secondary School, where she completed her O-level examinations. In 1972, she moved to Georgetown, marking the beginning of a new chapter.

It was in Georgetown that Ena met Phillip Ranchurejee. They married in 1977. Together, they raised a family of three daughters: Alina, Beverley, and Cynthia. Their home was a testament to love and dedication, celebrated most recently in their 47th wedding anniversary last year.

Ena's early professional life was marked by her co-management of Bevalina's Jewelry alongside her husband. In 1995, the family moved to the United States, where Ena dedicated her career to the Transportation Security Administration (TSA) until her retirement in 2024.

Above all, Ena was profoundly devoted to her children and adored grandchildren, to whom she passed down her enduring values of love and

hard work. Ena's legacy of unwavering devotion and hardworking spirit will continue to live on through her grandchildren.

Loved immensely by all who knew her, she leaves behind a void that will be deeply felt.

“ To the Ranchurejee Family:

I wish to extend my deepest sympathy and heartfelt prayers of support as you grieve the loss of an outstanding woman, whom I always knew as Savitri. I worked alongside her from June 2008 until her 2024 retirement. She was always a model officer and a kind person in the workplace.

So often quiet, and unassuming, she would light up with a big smile as it was end of shift and she knew her husband would be picking her up curbside. I would often tease her about how special she must be to her husband because I knew of no other female officer who had a drop-off and pick-up to work! It was obvious that she was in love every day of her life.

She talked about how special her daughters and family were to her as well. Her profound joy was heard loud and clear in her voice.

She is gone from us too soon and so very young. We at TSA are in shocked grief at her passing. I can not imagine how profoundly you feel loss at this time.

May my warm thoughts and humble prayers assist you in some fashion.

*Sincerely,
Stanley Tuchalski*
