In Loving Memory of Selena Joyce Raffaelli
November 4, 1966 – May 13, 2025

Selena Joyce Raffaelli, 58, of Orlando, Florida, passed away on May 13, 2025, with her family by her side after a brief but valiant battle with cancer. Born on November 4, 1966, in Rockledge, Florida, Selena brought joy and warmth into every life she touched.

She is survived by her daughter, Alanna (Luke) Davis; her son, Dominic Raffaelli; and her mother, Evelene Conner. Selena's presence was a light in their lives and in the lives of all who knew her.

Selena had a bubbly personality and an infectious laugh that brightened the lives of all who knew and loved her. Her love, charisma, and sense of humor was one of a kind. She found joy in the simple pleasures of life—especially in cooking and spending quality time with her family. Her meals were made with love, and her company was a comfort to those around her.

She is now reunited in heaven with her beloved father, Bobby Conner, and her siblings, Bobby Lee Conner, Benjamin Conner, and Janice Conner, whose memories she carried with her always.

Though her physical presence is no longer with us, Selena's spirit remains ever near. From her place in heaven, she watches over her family and friends, surrounding them with the same warmth, laughter, and love that she so generously shared in life. Her light shines on, guiding and protecting those she held dear, until we meet again.

Selena will be deeply missed but never forgotten. Her spirit lives on in the memories of her friends and family, the stories shared at the dinner table, and the love she so freely gave.

There will be two opportunities to join us to celebrate her life. The first service will be in Florida, on Saturday, May 31, 2025, at 4:00 PM at A Community Funeral Home & Sunset Cremations, 910 W. “ *Selena was my special woman who became my lady at the last six years of her life. She stayed with me every weekend we talk daily. We had big future plans, but CANCER shook her body so quickly so soon it took her away. She’s in a better place now she served too many and was never appreciated. I appreciated her immensely having known her CENTER child. She was always special to me. I love you Sheena. rest in peace baby.* ”

“ Selena, you will be greatly missed. Every memory I have of you is you making me laugh or just being kind and helpful. You brought so much joy, kindness, and laughter to all of our lives. As you would always say, "Have a blessed day." This will always remind me of you. Sending my love and condolences to your loved ones.

Selena, you and I both got attached to each other quickly! I have loved you from the beginning of our friendship, you showed me unconditional love and respect. You performed Chares and my wedding on June 27th 2015!!! I'm upset that I didn't know you were so sick, you didn't give me a chance to be at your side like you were by mine. I forgive you baby and rest in paradise until we meet again. Sending love to Mama, Alanna, and Dominic in this very difficult time.

Selena, you were a gift from the Heavens you were so loving and kind in everyway, I knew you as a young lady and you became a fine Lady in everyway. You were so giving and loved by all those that you touch with your grace and charm.

You were a wealthy person, not monetarily, but by the number of friends you had, you were well loved by all and could do the work of 3 people. When you were with me I was so happy to have your presence in everyway. Sadly I didn't get to be with you when you need it most, although I had 5 years of weekend time with you in Cocoa, of which I will never forget. You had to get away of the surroundings in O Town.

Until we meet again, RIP, love, peace and happiness.

*Love,
David William Houser*
