“ *Last Friday I attempted to console a group six and seven year olds who were overwhelmed with the loss of their friend. I asked them to tell me what they remember about Shaila. One girl told me that when others didn't want to play with her that Shaila would come over and be her friend. Another told me Shaila hugged her lots and she will miss that. Shaila, you will spread that love with your mom in Heaven.*
We will miss you.
