

Sheila Anne Doehrman

April 5, 1946 - March 6, 2023

Sheila Anne Doehrman, 76, of Orlando, Florida, passed away March 6, 2023. Survived by her son Brian Doehrman (Tatiana) and sisters Barbara Schoel and Diana Kruse.

Sheila (my Mother) was always known as “Brians Mom” and that is how she insisted you refer to her as....ask anybody and they will confirm it. Having me as her only child at the age of 25 the two of us grew up together. Since she never looked her age, she always dated younger men in her single days after my Father. In fact, there were sometimes when people thought we were dating that didn’t know us. When people asked me how old she was, and I told them they didn’t believe it. I even had some childhood friends have a crush on her over the years. We were best friends for so many years. We went to concerts together including Bryan Adams, Sting and Chicago back in the 80’s. After leaving Fort Wayne, Indiana where she was born as well as myself, she moved us to Florida back in the 80’s because she got a really good job working for Goebel Hummelwerk as their special Ambassador out of Walt Disney World and Epcot Center. After that she had multiple sales jobs where I acquired my own skills from her watching on the sidelines. In 1994 she got her Real Estate License and worked for both new home builders and other brokers thereafter. It was after seeing her success that I got my own ambitions to acquire my Real Estate licenses in 2010. We loved talking business, customers, houses, and homes; I owe so much of what I know to

her. This is an empty world now without her but having made so many difficult and unselfish decisions the past couple of months and years she is at peace with herself and in a better place called Heaven.

“ Sheila, Thank you for being so nice to all of us so many years ago. You are truly the "Cool Mom". As I remember someone that I could talk to like a regular person/friend. We will celebrate your life tonight. I feel good knowing that days ago when you arrived in the Kingdom of Heaven you were greeted by my brother, Tom, Andrew and all that have gone before you. We love you.

“ Sheila, you touched many hearts during your time in this world, not the least of which is mine! I will always cherish the times we had together. I thank the Lord that you are no longer suffering. You will be in my and all of your family and friends hearts for the rest of our lives. I sincerely hope that we were able to make these last couple of years easier on you. I know that you are with Jesus now and there is no better place to be. You will also always have a place in all of our hearts, especially mine. I love you!!!

Thank you for your kind words Steve. You have been an amazing person going back all of those years for my Mother and so very supportive in the last years for her. I thank you for that and on behalf of the entire Family. I am in your debt for all that you have done.

“ Mother we love you and miss you. You are in a better place now and well deserved. These couple of years have not been what you were and are but that's behind us now. I'm sure you will remain here on Earth watching me for as long as God allows but now take your time now and enjoy yourself. See your Parents, past Friends, our four legged Family members and more. I'm sure you will see my Father and have a few conversations on how well you both raised me and laugh at a few things as well. Take Thunder, Chipper, Pups and Jordan for a walk and wait for the day when I join you in catching up with our talks about "everything and nothing". I love you for everything you have ever done for me.

Brian, I never met your mom but I now know her through your beautiful post, and through how Tatiana described her to me. That was a very special relationship that you had with your mom which reminds me of my relationship with my only son. I am glad that you have so many nice memories from your years together. My condolences and hugs.
