

## Sheyda Borrero

May 21, 1971 - December 23, 2019

On 12/23/19, we lost a special woman who was a mother, grandmother, sister, wife, daughter and friend. Sheyda, has 3 children, 2 grandchildren, a son in law, a husband and many family members including her mother, sisters, nieces in Puerto Rico and family in Maryland, New York and Florida. Sheyda, was a person who loved to help others and be there for those in need. She was very passionate about our Lord and Savior Jesus Christ. She really enjoyed going to church, bible studies, worshipping the Lord and volunteering in homeless, migrant and other ministries. She loved to help those in need and be that light that a person was in need of. Weeks before she shared with her oldest daughter, Sheyjim that she walked around the neighborhoods placing Jesus films on doors so people could hear about the gospel of God. Sheyda, was an amazing mother above all. She loved her children with her whole heart and would do anything for her kids. This passing was so unexpectedly and we are hurting but one thing we are sure of our mother plant that seed of the Lord in her children and grandchildren life which is something we take serious and will make our mother proud and keep fighting this fight of faith. Many people loved her and many people cared for her. She was a unique woman and there will be nobody like her. Everywhere she walked, she was a light to all. Sheyda, loved her family and was very family oriented. Even though she is not with us here. We know that God is taking great care of her. She has definitely has a special place in our hearts. She has forever marked our hearts and will always motivate her children to follow the

Lord even if she's not with us here. Sheyda was a grandmother that adore her grandchildren. She took pride in her grandchildren and was an important person in raising her grandchildren. Her grandchildren love her a lot and miss her so much! She was always there for her family in any way possible. But only God know why this is happening and we have faith in God! And I am very thankful for the time I got to spend with her while she was here with us! I will always remember the memories I had with her the moments that were funny with her! Her family will always love her! 😭💔 There is only one Sheyda, she is irreplaceable and there is no one like her 🙏 She held this family together and with the help of the Lord her children will do the same because that's what she would want from her children. Sheyda always saw the best in her children no matter what and always had us involved in Church to never steer away from God. She was the best example of a women of God that loved Christ. She paved the way for her children and we adorn her for that and will forever cherish the memories with her forever! One day we will meet again with our mother in heaven and be in that place of glory 💖
