

Sophie Marie Petrone

August 5, 1926 - October 2, 2023

Sophie Marie (Fiore) Petrone of New Jersey (Newark, South Orange, Tinton Falls), Myrtle Beach, SC, West Palm Beach, Florida and Lake Nona, Florida passed away peacefully on October 2 with loved ones around her.

Sophie was born in Newark, NJ, attended First Ave School and Central High School in Newark and attended New York University.

Sophie was a devoted wife and loving mother and was preceded in death by her husband, Michael E. Petrone, her son, Frank Petrone, her parents, Nicholas and Josephine Fiore, her sister Jean Luongo, and brothers, Richard, Nicholas, Robert Fiore.

Sophie is survived by her two children, Dr. Michael E. Petrone of Lake Nona, Florida and Robert (Kim) Petrone of Myrtle Beach, SC. She is also survived by other family members, including nieces, nephews and many special friends.

Sophie was a schoolteacher in Newark and also worked in Newark at the Hall of Records. She spoke often of “her days” growing up in Newark, spending summers at Long Branch and Belmar and of her time seeing Frank Sinatra at the Paramount Theater, NYC and in later years in Las Vegas and Atlantic City.

Sophie always put her family first and was always willing to help those in need. She would tell you she had a terrific life, however, there were some up's and downs. In the end, Sophie would say like Sinatra said, "she had a good life, and she did it her way". Sophie will be missed. God Bless you Sophie- we love you.

Sophie's name will be mentioned at all the masses this weekend and during the week at Saint Francis Xavier Cabrini Catholic Church, Florida and a Catholic Wake Service will take place for Sophie at Saint Francis. In addition, a Catholic Mass will take place for Sophie in Myrtle Beach, S.C at a later date. Final entombment and Private Catholic Blessing Service will be at Immaculate Conception Cemetery, Montclair, New Jersey.

*Dear Bobby, Kim, Michael and Family,
What a devastating loss for your family! Your mom was a truly, remarkable woman! So ahead of the times! Such a strong, loving lady! I followed her excursions and accomplishments on my late husband's Facebook page. Talk about a full life! Always on the go, looking gorgeous as ever. and loved and revered by her handsome sons and family. Can't imagine how you will ever be able to fill the void and missing pieces of your hearts 💔! I have such fond memories of times spent with your family. I know your pain. God bless and find the strength to grieve the loss of your beloved mom.*
