

## Stephanie Lane Reass

June 10, 1953 - January 14, 2022

Stephanie Lane Reass (68) passed away unexpectedly Friday, January 14, 2022 at AdventHealth Altamonte Springs, with her daughters by her side.

She was born June 10, 1953 in Corona, CA. Stephanie graduated from Haines City High School in 1971 with Honors and then earned a degree from Polk Community College in 1973.

She worked for Coca Cola in Natchitoches, Louisiana, then for Hughes Supply, a plumbing and electrical supply company in Winter Haven for many years before beginning her career in the financial investment industry.

Stephanie is preceded in death by her parents Eugene and Margaret Lane and brother Calvin Lane. She is survived by her two daughters: Lori (Ryan) Houmard of Haines City, and Kristin (Todd) Schmid of St. Petersburg. She is also survived by four grandchildren: Haileigh, Stephen, Corbin, and Cody.

Stephanie never met a stranger. She had a heart of gold and was the definition of a true friend and mother. She loved spending time with friends shopping, going to the theater, concerts, and craft shows. Most of all she loved her family and instilled in her daughters strong values. She will be dearly missed and forever in our hearts.

Plans for her celebration of life are in the works and will be shared at a later date. Her daughters ask that in lieu of flowers donations be made to the Ronald McDonald House Charities of Central Florida.

“ It's a shame that the good ones are always taken before their time. Over the years with FFS, it was always a pleasure hearing her voice and doing business with her. She always had the correct answer or got it and let me know. I will miss her.

“ For the past nine years, we have been clients of the company where Stephanie worked.

*I met her a few times at the company's client appreciation luncheons, and spoke with her many times by phone. She was my go-to person at the company, and so I got a taste of her warm and friendly nature, always caring to help in any way. She was a beautiful person inside and out. What a terribly sad loss. Our heartfelt sympathy goes out to Stephanie's family, friends and colleagues. Karen & Bernie Bekkers*

“ My heart is broken over the passing of Stephanie. I consider it a privilege that I had her in my life even though it was such a short time. We went crafting and to the theater and I knew very quickly that she was a generous, friendly, funny, life loving lady. Heaven has gained an angel and she will be truly missed here.

I have only recently become a friend of Stephanie as she generously welcomed me to our new community. She was fun, kind and easy to talk to. I am very saddened by her passing. The world has lost a wonderful soul. My heart goes out to her family, especially her daughters that she talked about and loved fiercely.

*My condolences to the family, friends and colleagues at Florida Financial. I cried when I read this morning that we have lost Stephanie. It is so difficult to believe she is gone. She has always been there to help with my concerns and questions. Last year when I lost my husband, she was very consoling and supportive. You are missed Stephanie, may you rest in peace.*

*All of us have lost a truly remarkable person. Steph always had time for me no matter how busy she was at work. Over time we became quick phone friends sharing our trials, tribulations, and blessings with each other. My last conversation with her was late Thursday afternoon, and I knew she wasn't feeling well. I am totally heartbroken at the loss of a good friend. The first time I met Steph I knew she was a very special person, who had the gift of selflessness, and genuinely cared about each person she met. Steph loved her children and grandchildren, and would share family memories with me; they were her world, and the Florida Financial family was her loving work world. Now, Steph and I are going to have our planned dinner in our next life. God is in charge now, and, Steph, you are at peace. I am praying for her family that they will find comfort in the good memories they shared, and to remember you are braver than you believe and stronger than you seem! I encourage everyone to read Proverbs 3:5&6 and hope it will help. Love you, Steph, and I pray we will meet again. God bless, Ayn*

*Ellie and I have known Stephanie for over 16 years and she was such a nice lady to talk to and work with. Whenever I had to discuss business with anyone at FFS I made sure to have a chat with Stephanie if even for a few moments. Please accept our sincere condolences in the lost of your mother. The world needs more ladies like Stephanie, God be with her.*
