

Stephen L. Kelley

July 27, 1992 - June 26, 2024

We are heartbroken to announce the tragic, unexpected passing of our beloved son, grandson, brother, friend and father, Stephen Leigh Kelley who was just short of the age of 32, which he was set to celebrate on July 27th. Stephen passed unexpectedly on June 26th after battling mental health issues.

To know Stephen, you would know that he lit up any room he walked into and filled it with laughter as he enjoyed joking around and having a good time, especially when it involved his family. Stephen thrived off of feeling and looking good to keep his positivity flowing. He couldn't walk past a mirror without staring at himself, flexing or checking his smile. It became amusing at times because he would often ask "do I look good?" "how's this outfit?" mind you these were done while flexing just so he could get that answer he was looking for, "you look great!" Stephen thrived to try and be the best possible person he could be, and perfection was his goal. He aimed to prove everyone wrong and show them that he could do what was promised. Days prior to his departure, Stephen saw his mom and gave her a lasting memory of his perfect smile and tasteless personality that she will never be able to forget. Stephen enjoyed art and portrayed that on his body with his tattoos that he had, and each one had its own meaning and story.

Stephen was preceded in death by his brother Austin Kelley but left to cherish

the memories of his life are his daughter Jaidah Kelley; mother Deanna Kelley; Father Sam Mar; three sisters: Brittany, Emily & Savannah; brother, Kori; as well as extended family and friends that miss him dearly.
