

Steven Anthony Rotert

June 18, 1967 - April 16, 2022

Steven Anthony Rotert, 54, of Mason City, Iowa went to a higher place on April 16, 2022 as a result of a traffic accident.

Steven was born on June 18, 1967 at the Ireland Army Hospital in Fort Knox, Kentucky. the son of Laura Spevak of Arizona and Donald Rotert of Minnesota.

Steven had an unstoppable energy and an infectious smile. He loved sitting at the beach, canoeing the zumbro, camping and making his wife the perfect cup of percolator coffee on the fire. He loved dancing, playing pool, and riding fast and crazy on his bike. He truly had a love for all adventures.

Steven was happiest when he was surrounded by his family whether in Arizona, Iowa or Minnesota, but his absolute 2 most favorite things were playing spoons to the song "Low Down" by Hank III, and singing Hall & Oates songs with his mom. In 2017, Steven met the woman of his dreams and the love of his life (in his words), Becky! There was never a doubt these two weren't soulmates.

On January 16, 2021, Steven and Becky were married in Lake Havasu, Arizona with Steve's mom officiating the ceremony. It was one of the happiest days of their lives. Steven and Becky truly had a "Notebook" story love. Steven will be missed and cherished by his mother Laura Spevak and father Donald Rotert; his wife and forever love Rebecca (Becky) Rotert and his children Bradley, Taylor (Tay Tay), McKenna, Robert (Jena), Hartkopp, Cody (Maranda) Wickwire, Shelby (Ashley) LaPoint, and Kristina Blakely as well as

his grandchildren and many extended family.

A celebration of Steven's life will be planned at a later date.

“ I have alot of cherished memories. A lot when we were kids growing up and just as many as adults. Some we got into some trouble but memories just the same. Just the Rotert boy's never meaning no harm been in trouble with the law since the day they born. Are version of the Dukes of Hazzard. One memorie is when we were kids camping in South Dakota with his mom and dad. Thought we found a bunch of gold. Yes got into some mistuff. Love you Shane
