God looked around His garden
and found an empty place
He then looked down upon the earth,
and saw your tired face.
He put His arms around you
and lifted you to rest.
God's garden must be beautiful
He always takes the best.
He saw the road was getting rough,
and the hills were hard to climb,
So He closed your weary eyelids,
and whispered "Peace be thine".
It broke our hearts to lose you
but you didn't go alone,
For part of us went with you
the day God called you home.

You were my friend from childhood and a great friend you were. I walked to Kaley school by your home every day and you always were a cheerful sight to see. For more than 40 years of my life and yours we were friends. I am deeply saddened at hearing of your passing after not seeing you for a few years. We shared many times of cheer together and I will be along soon enough so save me a place at the table. You will be in my thoughts and in my mind for the rest of my life. My deepest condolences to the family. May the Lord comfort you and give you peace.
