

## Suzanne Peterson

February 16, 1946 - August 31, 2021

Suzanne Peterson, fighting to the end with every last drop of her Irish blood, sadly passed away in the early morning of August 31st with her children by her side. Suzanne was known to her friends as Sue, to her family back home as Suzie, her 4 "grands" as she likes to call them as Grammy and to us simply Mom. Mom will be missed beyond what these words can convey. She loved her family beyond measure and gave us her all without hesitation. She was a brilliant, witty, strong, fiery and at times a completely stubborn woman. But more than anything was kind. She loved all animals, in particular the many dogs she raised in the years she blessed this Earth. Her last fur baby is Marley, who seems to miss her just as much as we do. We will look back in loving remembrance of all the time we shared with her good or bad and know that in the end we will reunite to share our love once more. Mom will live forever in our hearts.
