“ Terry you were the last person I would have thought to go. But I know you are with your brother Mike, gonna miss all your words of encouragement and the laughter you brought to mine and Buds life. We will think of you and Mike daily and pray to see you in HEAVEN one day... Bud and I surely miss you already. God Bless you and your families.

“ Aunt Terry was my mom's closest friend, I grew up knowing her as my Aunt. She was a major part of my childhood and I will dearly miss her sweet laugh and her gentle nature. She was an angel here on earth and now she is an angel in heaven. My heart goes out to Gordon, Maryann, Sarah, Auddie, Katie,Flash and Chris. May GOD be with the entire family and friends. I love you all.

“ The last time I saw my sister was in July, we had the best conversation! R.I.P. Terri, I love you, you were a wonderful sister and i'll never forget you. I can't believe shes gone!! One minute i'm crying and the next i feel like its just not possible. When I was a teenager and first found out she was my sister she was so good to me, i loved staying with her. Teresa loved life, she loved her husband and adored her children and grandchildren, she was an amazing person, life will never be the same knowing shes no longer a part of it.

“ *Terri, ever since we were old enough to talk, we were friends. I miss talking to you, hearing your voice, talking about the past, and the friends we had already lost that passed on. Now you are with them having fun and hanging with the angels. Your family and friends miss you, but time heals. You are free of pain and happy and at peace and that is all that matters. I know Mike was waiting for you when you got there, as well as many others we know. The lava lamp is working and hasn't stopped. You are with us, and we love and miss you. Tiny body--big heart and soul...that's my BFF. RIP*

“ Letter From Heaven

*Hey everybody,
I hope this doesn't reach you too late.
I don't want you to worry,
Because life up here is great.*

*I can't wait for you to see the beauty of heaven,
But I know it's not your time.
I really miss you guys,
But I know you'll be just fine.*

*You know I can see you right,
So please stop shedding tears.
You guys, I'm perfectly fine,
So conquer all your fears.*

*I'll be watching your every move.
Relax! I won't spill your beans.
But stop all those naughty things you do,
Because you know there's nothing He can't see.*

*I need you to come here to meet me,
But not if you misbehave,
So please keep God in your heart,
And you'll be safe and saved.*

*Hey guys I know you miss me.
It's really hard not to.
But please, please stop grieving,
Because you're making me sad too.*

*You guys have been a great family,
And I am truly blessed.
You've raised me through my earthly life,
Now God will do the rest.*

*He's really a great person,
And an even better friend,
So I'm in great hands,
And on Him you can also depend.*

*Oh boy, I'm getting carried away.
I want to say so many things,
But I really have to go now,
Because today I'm getting my wings.*

Bye you guys, love you forever and a day!

*P.S.: Be good. I'll be watching!!!
Grieve at your own pace and heal in your own time. God Bless and
Comfort you and My Girls know you are always loved*
