“ I'm sorry for your loss Vicky. I worked many years on the ramp with Terry. I remember one time he gave our team a gift certificate from Publix. He will be missed. I will not be able to attend.

“ Vicki - I am so sorry for your loss. I can't imagine what you must be going through. Just know that we are all thinking of you. Don and I will be out of town for Terry's memorial and will be unable to attend. I just thought it was going to be sooner and we had these plans for months. Know that we will be thinking of you. Be strong and keep your faith.

Love,

“ *My sincere sympathy for loss of your loved one. I agree that losing a relative or dear friend is one of the hardest things to deal with. Many have found this Bible verse to be comforting. I am sure you will also.*

"God for us is a refuge and strength. A help that is readily found in times of distress." - Psalm 46:1

This Bible verse is very comforting knowing that the family can turn to him in their times of sorrow.

“ *Terry was really a nice man. I didn't know him very well, but I will truly miss his smiling face coming through the agent ticket counter break room everyday before leaving for the day. I'm so sad for all of you. I will miss him. I will keep you all in my prayers.*
