“ This is how I met you Ms. Thelma because of your beautiful
daughter Hellyn and your caring children wanting to do something
special to honor you. I was able to capture a memory that will
forever be imprinted in their hearts. You were a beautiful soul then
and forever will be one for as long as we can remember. I followed
your stories and profile often to see how all is going. And to see this
on your girls page broke my heart. R.I.P. Ms. Thelma, you will be
miss. God Bless your heart and soul, Peace be with you always and
your family and friends as they grieve in your passing.
