“ Awe Tommy so many memories from being my brother in law to a dear friend. High school proms (Miami Vice style) to helping you with your wedding. You were there when I needed you, my shopping buddy “Tommy slow down you have big feet”, working together and ordering from Long John Silvers and fighting over the extra crispy morsels, and especially watching you wrestle WWE with all the kids. You were our gentle giant cuddly bear and will be missed! Love ya Tommy, Meme ❤️

I remember you as a little boy fighting and scrapinng with your older brother john. Your dad would pop both of your bottoms You were always be gentle and John would start. As you grew John didn't fight with you anymore. You always were the first to offer to help anyone who had trouble lifting something heavy you was a good man Tommy and I know all of those who passed before you will be waiting to welcome you home. My love and prayers go to your family Tommy

“ The first memory I have of Tom was when I was in forth grade. Katie and I were going on a field trip to sea world. Both of our fathers were chaperones. I remember right when we got off the bus Tom pulled out a bag of candy and started passing it out to all of the kids. He had such a huge heart and a lot of my favorite memories growing up included Tom. He always made everyone happy.
