“ *Tom had the best smile and an even better laugh. He smiled and laughed often. That made everyone happy to be in his presence. He loved his boys and the special relationship he and Carol continued to have was very admirable. I know Dave and Aaron will miss their dad but I know they make their dad so proud and they were the reason for most everyone of his smiles, everyday! Prayers being lifted up for all during this time and pray you feel peace knowing that Tom is in the presence of God!*

“ *Will always have a big place in my heart for Tom, he made a great little brother, though a bit hard headed, but I hold him in memory as I sincerely hope both of you, David and Aaron will always. You were both fortunate to have him. My condolences and remember I am still there if you need me.*

“ *Look dad, your favorite color. In my mind, it smells like apple pie. May this candle burn as bright as your smile, and burn as warm as your love. I will keep you forever.* ”

“ *Im very sorry for the death of your loved one I would like to share with you a text of the Bible found in John 5: 28,29 where Jehovah God promises that we will see our loved ones who have died for they will be resurrected. A beautiful promise for those of us who have lost relatives in death. I hope the text helps them and accompany them in their pain.* ”

“ *I remember when Tom and my sister started dating and then married. He was such a gentleman and so kind. I enjoyed getting to know him and then being related to him. He always picked at me about my country voice and would call sometimes just to hear me talk he said. He helped raise 2 wonderful sons. I will miss Tom tremendously and feel blessed to have ever known him. My thoughts and prayers are with his loving family. God bless you all. Love Aunt Roberta*

“ *He was a great man that made sure That garage had all of his Dolphin stuff visible from the road. The man loved working on stuff, the bikes were always in the best shape and that mustang was the cleanest on the block.*

Sorry For your loss guys, just think of the good times that will help put a smile on your face.
