“ *My brother Tom was many things to many people. To me, he will always be the quintessential "Big Brother" - helpful, wise, wild - larger-than-life.*

Though he lived in Florida, we talked by phone every week or two. Sometimes our conversations were long, (Talkin' Tom!) or short 'n sweet (Just called to say "hi" or "I love you, Later!")

Everyone knew he never claimed to be perfect. He was a "grand" work in progress. Anyone that ever met Tom couldn't help but like him - and those who chose to call him "friend" - loved him.

I was fortunate enough to have him as my brother.

-And now he IS perfect. He has been called home to God.

I will miss him terribly, remember him dearly, and now, look forward to one day sharing in his glow once again.

I Love You, Tommy!

.....Later! xoxox Fran

“ *Uncle Tom was a legend in our family...a gypsy. Although he lived far from Buffalo, he was close by in many ways. He was always quick with an "I love you, kiddo" in his Florida twang. I will always remember him with his long ponytail, and perpetual tan. Uncle Tom will truly be missed, our family now has a deep void without him.*

“ *Deepest condolences to the LaCongo family my friends and watchful neighbors .*

On behalf of a close friend you never did say goodbye through out our friendship you always said so long instead of goodbye. With that taken to heart I will say I will see you again around the bend and, say hello again.

“ *I had to say goodbye for now to my dear friend Thomas yesterday, but he is now at peace and has eternal life. No more suffering and pain. Peace! He and I shared a brother sister friendship that will be greatly treasured forever. Debbie, Lenny and Sylvia, I love you and all hope you know if you need ANYTHING to let me know, I will be right there. God bless you all, Rae Mosley*

“ Just read the paper and saw that Tom died. I want to let Debbie know that I am thinking of her, as she is the only one I ever really met of Tom's . Never met family, but I am so sorry for your loss. Haven't been in touch for years, but still, when you hear of someone in your peer group passing, it's devastating.. so so sorry, especially to Debbie who I think of often. Take care of each other and Love, even after all these years. Melinda

“ Wow, what a wonderful man, and he was such a huge part of molding me into the person I am today. Righteous, honest, and loyal; his life continues in Heaven.
