“ *Mrs. Joanie: I was so very, very sorry to read this. Mr. Tom was always so welcoming whenever I dropped by to visit... he even tolerated my "camping out" in the living room when it got too late for me to drive home. I will never forget the warmth and love extended to me as a young woman trying to make it on her own in Orlando. You all made me feel a part of your loving, wonderful family, and I will always be thankful for that. My prayers are for your comfort and peace during this time. Much love to you all, Brenda*

“ Joan, I was saddened to learn of Tom's death. I remember his elation whenever Sassy went into the ring. The smile on his face and the stories he would related are things I will always remember. Take heart in knowing he is whole again.

“ Joan, we are all so sorry to hear about Tom's passing. Just found out last night. You and Tom were such a big part of our life for so long! He was such a sweet man who would help anyone out in any way he could. It has been such a long hard journey for you. Alzheimer's is loosing someone you love a little bit at a time for a long time. And the grieving goes on for years before the final breath is taken. You have been a good wife, caregiver and friend. I mourn his loss and I grieve for you. He is whole now. He remembers everything. He loved to talk! He is probably having a great conversation with Harlan, my dad and many other who have gone before us. He and they wait for us when it is our time to join the great reunion. He is there with you, always in your heart. I pray God will sent you comfort, and rest for a job well done. We miss you and love you Joan!
We will miss Tom.
