

Timothy R. Durden

August 11, 1962 - October 9, 2022

A Life Well Lived;

On October 9, 2022, Timothy Ray Durden, age 60, went to his heavenly home. He was a beloved father and grandfather who loved the Lord, his family, church and community.

Tim was born August 11, 1962 in Soperton, Georgia. He relocated to Orlando, Florida at an early age where he resided for the remainder of his life. He was graduate of Colonial High School in 1980 and one year after graduation, he met and married Teresa and they had two children together. Tim proved himself to be a wonderful and dedicated father and although he and Teresa amicably separated, he remained an excellent dad to his children, and they all remained a close family unit.

In 1988, Tim began his 29-year career at PepsiCo where he made several long-lasting friendships and won many prestigious awards.

Tim is survived by his 2 children Timothy (Shaina) and Derek (Megan) and his 5 grandchildren Caden, Brayden, Cameron, Emma and Amaya.

“ Tim was one of the finest men I ever crossed paths with in my 32 years at Pepsi. He was hard working, dedicated, honest and a GREAT family man who believed strongly in Our Lord. The world has lost a very good man but Heaven has gained, in I my view, a new Saint. God bless Tim and the entire Durden clan. Peace.

“ Tim was part of the Durden Family that was raised to make a difference in our community. He was a huge supporter of his brothers who worked for the Orange County Sheriffs Office. When he worked for Pepsi he became a major supporter of the Children’s Safety Village and other outreach programs in the community. The Pepsi Family supported OCSO when tragedy struck our team or when we needed to take care of hundred of Sheriffs Deputies families during a natural disaster.

Tim was devoted to his family and his church family and he raised wonderful children.

I won’t forget the lunches on the SOBT at Oak Ridge which was a reunion and a staff meeting style.

Tim will no longer suffer with his health issues as he is with the Lord whom he served for decades. RIP Timmy. You will always be admired and loved.

“ *I met Timmy when he was only 10 years old! He and his family had moved in across the street from us and he had made popcorn ball's for the first time! He knocked on our door and gave us two! He was such a sweet giving child and he became our little buddy! He always had the biggest smile to go with his big heart! I am sure he will be missed by all that knew him!*

“ A true Pepsi Ambassador. That's my experience of Tim in Central Florida. He had a huge web of contacts, friends and customers that loved him and respected him. He demonstrated a desire to help others and contribute to the team. Tim often went outside of his role to build the Pepsi Franchise in Central Florida. Much of our reputation and success was fueled by Tim's contributions. It's hard to measure this kind of success but the PepsiCo business in Central Florida was and is today a huge beneficiary of Tim's work. May God Bless the Durden Family. Tim will truly be missed.

“ Tim was a good friend to my Dad, Gary Happnie. When my Dad passed, Tim was there for us like family. He made sure we were OK. He offered to help us get through the hardest days. Even after my Dad was gone, he remained in touch and even took us to dinner when we came to town. Tim messaged me earlier this year and talked about taking his grandkids on a trip. I added him as a family member to my Marriott employee discount. I wanted to help him build those memories. He loved his family so much. I know he was a faithful man and I know he is with God now. He was truly one of the good guys. I pray your memories will bring you comfort and you feel his love with you always.

“ *My last message from Tim on September 28, 2022..... "God bless you, love you sister". I want those words to be my final memory of Tim. I met Tim in 1988 working at Pepsi. Tim was the smiling , shining light every day in the office or in the field. Tim was the first person to explain sales and resets to me. Tim took me out for a day of resets to several different stores, I knew then how special a person he was, everyone we met in the trade LOVED and respected Tim. We became great friends and have stayed in touch through good times and bad. I will surely miss my conversations and IMs from Tim. Rest in peace my friend. Love Claire*
