“ *Tim was wonderful to work with. I can honestly say I never saw him get really angry. Maybe a little irritated at us knuckle heads but never lost his cool. His poise and grace through his illness was amazing. Kevin asked me if he ever said anything about the paint run on the corvette door. I told him even if he saw it he would never mention it. That's just the kind of guy he was. Please know we are holding all the family and loved ones close in heart and prayer. Take comfort and rest assured that we will see him again healthy, well, and with a brand new body. We will certainly miss you Tim.*

Tim was the kind of person you loved to be around, he always had a smile on his face and was always up for a good laugh, even when things may not have been on the brighter side. He will forever be in our hearts and in our thoughts and will never be forgotten. You will be truly missed my friend.
