William Anthony Land (known to everyone as Tony), passed away on February 18th, just shy of his 71st birthday. Tony was born and raised in North Carolina, but has called Orlando home for the last 20 years.

Anyone who knew Tony, knew that he had a heart of gold. He was the type of person who would give you the shirt off of his back, and was someone that you could always count on. He loved his job, worked hard, and would never turn you down if you needed help.

Tony also loved spending time with family. Whether it was on one of our family cruises (which were his favorite), or just at a little get together, he always had a great time. He loved to talk, and had a story to tell for every situation. And you could ALWAYS count on him to bring the sweet tea to the party....or be the first one to steal the hot dogs off of the grill.

Tony had a zest for life, was fun to be around, and was truly the life of the party.

We love you Tony.....you will be missed by so many.
