“ *My Dear Tracy,
Another birthday, more tears. You would have been 38 yesterday.
Perry and Bud were here for your birthday dinner. Perry brought you
red roses and a birthday balloon. Red roses were your favorite. It
doesn't get any easier Tracy. I hope you know how much I miss you
and love you,,,
Love,
Mom*

“ Today was a tough day Tracy, I thought about you so much. Never a day goes by that I don't think of you and grieve for you. I feel lost without you. The laughter we shared, the tears we cried. How do I go on without you? My heart is not whole any more. A big piece of it is gone, "You" Sleep my baby, and know I will be with you again,,

I love you so much,
Mom

“ My beautiful Tracy. Today is one month, since you have left us. If only I could give you one more hug, one more kiss,, The pain is so unbearable. I know you are with me though. I feel your presence all the time. Just know that I love you so much and a piece of my heart is gone. I love you my baby,,,
