“ Ha comenzado el mes de Noviembre y parece mentira que ya casi se acerca el aniversario de tu partida :( que triste me siento al preparar mi fiesta de amigos y no poder poner tu nombre en la lista de invitados. Me tomo casi 12 meses el tener el coraje de escribirte para decirte que tu impacto en la vida de todos los que te conocimos fue impresionante. Fuiste un ser maravilloso que con tu ternura nos unias a gente tan diferente. Te conoci por casualidad pero las veces que tube la dicha de compartir sentia tu calidez y me encantaba reirme y hablar contigo. Tu despedida marco mi vida al ver tu hermano, tu madre, tus amigos, y toda tu familia undirse en el dolor de tu partida. Entendi el valor de la vida y senti que habia perdido un hermano.. Tu energia seguira viva para siempre y te recordare como lo que fuiste un alma hermosa, llena de bondad y calidez humana. tu sonrisa sera el vivo recuerdo de la sinceridad con que diste todo de ti a todos los que te rodeaban, sin saber que nos diste tanto, porque en el fondo sabias que te ibas a ir y a dejarnos triste con tu perdida. Descansa en paz mi amigo bonito y ya nos veremos en el futuro y tomaremos unos tequilitas y reiremos de todo y de nada :) Te quierooo un monton xo hasta siempre xo

“ I remember meeting Tyler for the first time. We clicked as friends right away. He had such a warm personality that made you wanted to be his friend right away! He truly is one of the kindest, friendliest people I've ever met in my life. Everytime we got together we always laughed and we always had good conversations and he even tried to get me to work with him! And the best sangria I've ever had was made by him! He was a great human being that will truly be missed! Don't worry Tyler, James and I are gonna catch that giant bass in your name brother!

“ Ty, you made such an impact on every single person that had the pleasure of meeting you. If I sat down and wrote every single quality that someone could ever hope of having in a friend, partner, son, brother, etc. you somehow had this ability to be every single one of them. Whether it was a laugh, a drinking buddy, a shoulder to cry on, or someone to speak up on their behalf, you had this beautiful way of encapsulating just that. I will forever carry your wild, kind-hearted energy and your subtle, but bright smile in my heart. Fly high, my friend. 🕊️💚

“ Tyler, I'll never forget our 24 hours in New York, pizza bigger than our heads, your socks and sliders game was strong, thrifting fur coats, falling asleep at the comedy gig in Caroline's. It's evident to see that you touched so many people with your great personality and I'm so glad to have met you. I have no doubt that you'll be watching over your best friend and brother James and taking care of all your family and friends from above. Sending all my love and condolences to the family, you are all in my thoughts and prayers. Fly, Eagles, fly.

“ Scoop, T-Y, T to the Y, Ty, Sunshine, these are all names that you are known for but my favorite way to reference you is, Brother. Thank you for always supporting me with no hesitation or insisting that I should deviate from the plan. Don't think, just Do! Your family will forever be mine and I look forward to forever comforting them for you. Now please help your brother James break his dry spell, I haven't witnessed him catch a fish in a hot minute. Love you Ty, Deuces
