“ We are sorry to read of the passing of your loved one. Words don't always ease the pain when you are grieving the death of a loved one, but we hope you will find comfort in Jesus' promise of the resurrection hope(Acts 24:15)when he will raise up those who are now sleeping in death(John 11:11) restoring them back to life, on the renewed Paradise earth(John 5:28,29; Luke 23:43) what a wonderful blessing to look forward too. Until then, may Jehovah God (Psalms 83:18) grant you peace and comfort during this grievous time.-Matthew 5:4.

“ I'm going to remember you 19 yrs old at Disney for the first time... carefree riding roller coasters and making everybody laugh while we waited in the extremely long lines. We all had so much fun that day. I wouldn't want to remember you any other way than happy. My condolences to everyone affected by UD's passing. Live forever in the heavens.

“ *To the family and friends, I am so sorry for your loss. God provides comfort in these difficult times through promises of hope for the future. A resurrection of all those in the memorial tombs, John 5:28,29, A time when no resident will say "I am sick"... Isaiah 33:24, and Rev 21:4 promises that mourning, pain, and even death will be no more. For now, hold on to your precious memories and may God bless all of you with peace.*
