“ *Estimada familia Burgos-Ruiz lamento mucho la pérdida de su ser querido pero quisiera compartir con ustedes una esperanza muy consoladora que nos ofrece nuestro padre celestial en su palabra la biblia en el evangelio de (juan 5:28,29) allí jehová Dios nos promete que va a ver resurrección así de justos como de injustos. Espero que estas palabras les sirvan de consuelo.*

“ *Dad, it still seems like a bad dream that you are no longer with us. We are all so broken hearted down her But I am so happy that you are no longer in pain, no longer having to have dialysis or take all those pills you hatted so much. I know you are now our guardian angel and will watch us from above. Mom is so lost without you and I know in time she will understand why you had to leave her so early, we will all watch over her. We love you dad and will always hold you close to our heart, even tho right now it feels like a part of my heart was torn away!! Love you for ever, your big baby girl!! ❤️*

“ Dear Grandpa,

Since You Left Things Haven't Been the Same. I Drop A Tear Every Time I Hear Your Name . Why Do You Have to Be So Far Away. I Remember You Used to Tell Me, "Don't Worry It's Gonna Be Ok." But It Not. When You Left You Took A Part of Me With You. Why Couldn't I Go When He Came To Get You? Damn I Really Miss You.. I Remember You Asking Me If I Loved You. I Told You Yes Of Course I Do. But What I Should Have Said Was." I Love You More Than I Can Explain. You Love You and Grandma More Than I Love Myself. You My Hero. No One Can Ever Take Your Place. Your More Than Just My GrandFather. In My Eyes There Is Nothing You Can't Do. You Can Save The World If You Wanted to. Your My Idol. My Hero. You're Batman to Me, You're Ironman to Me. You're Superman To Me. All Wrapped In One" I Remember When I Used to Touch Things I Wasn't Suppose to. And You Would It Me. I Would Cry But You Would Hug Me and Tell Me You Love Me. Thank You For The Lessons. I Thank You For the Great Memories.. Driving Down to Florida (Twice.) Building My Room... Monday Night Wrestling.. I Thank You For Accepting Me.. Always Having My Back. For Every Time We Talked Telling Me," I'm Proud Of You." I Thank You For Seeing All That Potential In Me When I Didn't See It. I Thank You For The Beating Cause Somewhere Along the Line Them Beatings Saved Me.. When You Died I Cried Like A Baby. I Begged the Lord to Take Me, Cause Nobody Else Can Give Me When You Gave Me. But I Understand All Good Things Must Come To An End.. I Can't Wait Til I Meet You In Heaven Again.. AMEN!!

*Love You Always Your GrandSon,
Don.*

*Dan,
I cried from the beginning of your sentence to the end, I know how much you love him and how much you two shared, I'm in so much pain too, there are things we can never understand son, but just know that one day we will see him again, and he will always be with us!
Love you! ❤️*
